

Parrhesia is an online crowdfunding platform

Start A Fundraiser

Get your funds in 1AMD

1AMD is a digital cryptocurrency. You will be able to pay or receive funds in no time.

No cherry-picking

We do not cherry-pick fundraisers based on our internal biases. We provide this platform even to those that we might not agree with.

Easy to use

Our platform is created with taking the user greatly in mind. We strive to provide a smooth experience so that eligible causes can reach their goals.

Parrhesia

Aims to benefit people and groups that have been the focus of speech repression through fund-raising, which will be paid via 1AMD.

PROJECTS

We are committed to protecting the foundational Right of free speech through decentralized finances.
